Application call for AY2024 OGGs Program
Hokkaido University, Japan

What's OGGs program

Hokkaido University, which aims to contribute to solving global issues through cooperation and collaboration with people from various countries, regions, and organizations, has implemented three programs: PARE (with Indonesia and Thailand), NJE3 (with Northern region), STSI (with India).
These programs merged into one program to enable students to learn comprehensively about sustainability.

Curriculum

OGGｓ Common Subjects
・SDGs seminar: International Co-learning PBL for problem solving
・Introduction to SDGs

OGGｓ Subjects
・PARE summer school
・NJE3 field study
・STSI field study: Short-term Independent Research Experience on STSI

Basic Program Completion

・SDGs Advanced Field study: Independent Research Experience on PARE
・SDGs Advanced Field study: Special Seminar on Northern Region Studies (NJE3)
・SDGs Advanced Field study: Long-term Independent Research Experience on STSI
・Specialized subjects
